A Toilet Necessity.

After nearly thirty years' experience, it is now generally admitted that Murray & Lyman's Florida Water is the most refreshing and agreeable of all toilet perfumes. It is entirely different from Cologne Water and should never be confounded with it; the perfume of Cologne disappearing a few moments after its application, while that of the Florida Water lasts for many days, without.

A Book for the Million.

MARRIAGE GUIDE. A Private Companion to the married, or the prospective bride, on the subject of marriage, on the physiological mysteries and revolutions of the sexual system, with the latest discoveries in producing and preventing offspring, how to preserve the complexion, etc.

This is an interesting work of two hundred and twenty-four pages, with numerous engravings, and contains valuable information for those who are married or contemplating marriage, still it is a book that ought to be kept under lock and key, and not laid carelessly about the house.
